Jen-

My Springfield Superior case was pushed back until tomorrow, so I'm not limited to this morning if you need me to testify.

Hi Jen-

Having me on call is fine, and I would probably need 45min-1hr to change into my "court clothes", drive to Northampton, and walk from the parking garage to the courthouse. I do need to let you know, however, that I also received an email from a Superior Court ADA in Springfield while I was on vacation indicating that he is going to need me in the afternoon. As that case is a Superior Court case, it does take priority over district cases, but I will let you know if anything changes with that case.

Hi Ms. Farak,

I am writing regarding this case scheduled for trial in the Northampton District Court on Tuesday, Oct 11. I am the trial prosecutor. This case involves possession of two Soboxone pills and your lab no is [REDACTED]

I do not yet know if this case will go to trial, but if it does, I was hoping to have you "on-call" on the 11<sup>th</sup>. How much lead time would you need? Do you have any predicate questions specific to you that you like to use? (If not, no problem.) Also, is it possible for you to email me a copy of your CV?

Thank you!  
Jen
